While the exact date for the annual charity ball of St. Mark's Hospital Charity association has not been set, the meeting of yesterday morning, the first of the present season, was devoted largely to making preliminary plans for that event. A committee to arrange about the place and the approximate time was appointed consisting of Mrs. Windsor V. Blee and Mrs. Clifford R. Pearsall, and a called meeting will be held on Wednesday, October 9, for the purpose of hearing this committee report and deciding on a definite date. The ball will probably be about the middle of November, coming between the two exciting things—election and Thanksgiving.
